

PARKSIDE DUNDAS

Exhibition Diary 2010

We will be at the following Exhibitions during the coming season. We will be very happy to welcome you to our stand. Exhibition details are usually printed in the model railway press.

We try to carry as full a range as possible at all these Shows but sometimes space and transport considerations make this difficult. If you would like to ensure that we have any products you may be especially interested in, please contact us before the Show (minimum two days in advance please).
